Dehesive line

Excellent release properties

The Chiorino HP® dehesive belts offer excellent **release** of any kind of **sticky** product.

The high release properties are guaranteed by both **low friction** and **high friction HP®** belts.

The Chiorino HP® dehesive belts fully comply with the latest european and international Food Regulations and support the **HACCP** system.

Benefits

- Non marking
- Easy to clean
- Excellent product's transfer
- Perfect product's positioning

**Excellent alternative to silicone belts.
Scrapers can be used.**
